**PREVENTION, CARE AND VICTORY OVER COVID-19**

Corona virus infection (COVID 19) is an ongoing public health emergency of international significance. The World Health Organisation (WHO) has declared that the new corona virus outbreak is a public health emergency of international concern. In India, The total confirmed cases in whole country reached to 17357 as on 20<sup>TH</sup> April, 2020 (As per the report of Ministry of Health and Family Welfare, Govt. of India) which is an alarming figure.

To prevent spread of Corona, Government of India imposed complete lockdown throughout the Country on 25th March, 2020 to 14th April, 2020 in first phase, which has now been extended further till 3rd May, 2020. Observers state that the lockdown has slowed the growth rate of the pandemic to a rate of doubling every six days, from a rate of doubling every three days earlier. PSSCIVE administration is doing every best efforts to spread of Corona Virus.

Throughout the country, the nation is paying recognition to the best work done by the Doctors, Nurses, Paramedical staff, Bank staff and police and Housekeeping staff. In our Institute also, the outsourcing staff viz. Security Supervisor, Security Guards, Housekeeping staff, Gardeners etc. are paying the significant role in this adverse situation. They are taking care of security of the Institute, proper sanitization of the Institute everyday, watering and taking care of plants. A glimpse showing their efforts is hereunder:-
